

MUSTAFA ELTAYEB SAAD

Junior Penetration Tester | Offensive Security Engineer

Cairo, Egypt | mustafaeltayeb305@gmail.com | 01012459551 | linkedin.com/in/t4t4r1s | [t4t4r1s.github.io](https://github.com/t4t4r1s)

SUMMARY

Penetration Tester with hands-on expertise in web application and network penetration testing, validated through HTB CPTS and CWES certifications. Experienced in conducting full-scope offensive assessments professional reporting. Proficient in identifying and exploiting vulnerabilities aligned with OWASP Top 10 and PTES methodology, with a strong focus on Active Directory attacks and modern web exploitation techniques. Active CTF player with published technical write-ups demonstrating real-world attack techniques and remediation strategies. Seeking a Junior Penetration Tester

TECHNICAL SKILLS

Web Application Security

- Expert in OWASP Top 10 with strong focus on Authentication & Session attacks, token manipulation, and modern bypass techniques
- Advanced exploitation of Business Logic Flaws and API Security (BOLA, Broken Function Level Authorization, Mass Assignment) REST & GraphQL API testing
-

Network & Active Directory

- Advanced Active Directory attacks: Enumeration using BloodHound, lateral movement, privilege escalation, and Domain Compromise
- Network penetration testing, post-exploitation, pivoting & tunneling with Impacket and CrackMapExec
- Credential attacks including Pass-the-Hash, Kerberoasting, and dumping techniques

Hands-on Experience & Projects

- **Hack The Box**: Completed machines across Web and Network tracks
- **PortSwigger** : Finished advanced labs covering OWASP Top 10, with focus on File Upload, NoSQL Injection, OS Command Injection, and Path Traversal
- **RootMe**: Solved and documented multiple CTF challenges including all types of SQLi, NoSQL Injection, Command Injection, JavaScript exploitation, and Source Code Analysis
- **Python Programming Basics** (MaharaTech, Jul 2025)
- **Red Hat System Administration I** (MaharaTech, Jul 2025)

CERTIFICATIONS

- **HTB Certified Penetration Testing Specialist (CPTS)** 2025/2026 | **Self-Study**
- **HTB Certified Web Exploitation Specialist (CWES)** 2025/2026 | **Self-Study**
- **CompTIA PenTest+** — Issued: August 2025
- **ISC2 Candidate** — Issued: April 2026
- **PentesterLab Badges** **PCAP Badge (PTLP5728)**, **Essential Badge (PTLE7579)** ,**Unix Badge (PTLU13698)** ,**HTTP Badge**
- **TryHackMe Junior Penetration Tester** — Issued: August 2025 | ID: THM-DQQ1N8JIXS

EDUCATION

Bachelor of Information Technology - Computer Science and Software Engineering
Sinai University, Egypt

Expected: July 2027
